ADVERTENCIA.

Al dar principio en nuestra **Biblioteca de Música Sagrada** á la publicacion del Canto-llano, hemos creido oportuno, para mayor comodidad de los cantores, formar un tomo separado que contenga varias Misas de canto-figurado, que puedan servir para todas las festividades del año: debiera este libro comprender tambien los Himnos, puesto que pertenecen al mismo canto; pero nos ha parecido mejor vayan incluidos en las Vísperas de las festividades respectivas, como generalmente se observa en los cantoriales antiguos.

Esperamos que esta determinacion sea del agrado de los señores suscritores, en cuyo obsequio estamos dispuestos á hacer todo cuanto sea posible y pareciese de utilidad y conveniencia.

AMERICAN VETS

noticing, if he gets away, and then you understand him as quickly as I do.
You must continue to tell him that you are his master and that he is your slave. If he
ever tries to run away, chase him down and make him come back again. If you do this repeatedly,
he will eventually learn that you are his master and that he must return when he is asked.
