REVISTA

Después de haber examinado diferentes cantos, y haber hablado con personas
estables acerca de la conveniencia de modificar el Canto-lirio, á causa de la pesadez
de las muchas notas que á veces tienen las antiguas intonaciones etc. de las
notas antiguas; hemos determinado seguir nuestro Canto-lirio, aprovechándonos
de las mismas cantos, sin que aquel pueda nada de su gravedad, y conservando en
sus cláusulas; pues no nos consideramos con suficientes fuerzas para hacerle todo
nuevo, ni lo creemos tampoco necesario, con la modificación que introdujimos, para que
el canto sea tan agradable y grave como debe ser el que se ejecuta en el santo Templo.
Si sabemos llevar á cabo nuestro pensamiento, y acordamos á dar gusto á nuestros
lectores, quedarán colmadas nuestras deseos.
